INTRODUCTION
o----------o

If you look on the TV Screen (or your CPU if you are using the MESS Emulator), you will see a bunch of X's and O's. These have nothing to do with any hugs and kisses. This is American Pro Football where the toughest of the toughest people on the gridiron go head to head in a 8-on-8 battle. While this game is not very much to look at, it is still playable on a competition side of things.
